To Whom It May Concern:

We truly enjoyed this beautiful home with all of the distinctive details.

We have two young children with one more on the way this summer. The upgrade to a four bedroom house with the spacious kitchen and family room would benefit our daily family life.

The builder did an excellent job with the layout allowing for optimal use of space, and it is obvious that a great deal of thought went into the architectural and design planning. The materials chosen add an elegant and signature look to the home. Thank you for giving us the opportunity to live in this home with our growing family.

Sincerely,
Charlie & Sarah Watson
